

## Declaration of Compliance

for materials and articles made from plastic intended to come into contact with food.

We, WIMEX s.r.o.  
Broumovská 72  
CZ-54701 Náchod

hereby declare that the following product comply with REGULATION (EC) No 1935/2004 and COMMISSION REGULATION (EU) No 10/2011 and Directive 94/62 (ES) concerning heavy metals which do not exceed 100 ppm limit.

Products of company WIMEX covered by this declaration:

WIMEX art. no.	Article description	Material type
76930	Lid for paper bowls Ø 115 mm (PP) [50 pcs]	PP - Polypropylene

Specification of the intended use or limitations:

Type(s) of food intended to come into contact with the products:  
All types of food.

Migration limits are not exceeded under following conditions:

Type of food	Food simulant	test conditions: contact time and temperature
aqueous + acidic	3% acetic acid	2 h at 70 °C
alcoholic	95% ethanol	2 h at 70 °C
fatty	10% ethanol	2 h at 70 °C

Organoleptic testing showed no distinct change of smell and taste under following test conditions:

type of food	food simulant	test conditions: contact time and temperature
aqueous	water	2 h at 70 °C

Ratio of food contact surface area to volume used to determine the compliance of the material or article: 353 cm<sup>2</sup>/ 589 ml

This declaration is valid for the products we delivered and its use as specified above. The verification of compliance was performed based on the above rules; according to which the product complies with the legal requirements subject to adherence to the stated conditions for contact with food. In case of deviations from the intended use, the user is responsible for verifying compliance and suitability. In particular it is emphasized that in case of printed material, no contact is allowed between the printing ink and the food product.

Validity of this declaration: until revocation and renewal
